Reviewer's report

**Title:** Motorcyclist reactions to safety helmet law: a qualitative study

**Version:** 4  **Date:** 20 September 2009

**Reviewer:** Parissa Safai

**Reviewer's report:**

Thank you to the authors for the continued work with this manuscript. The efforts have not gone unnoticed and the current manuscript is stronger than earlier drafts. I recommend publication and only suggest Minor Essential Revisions. Specifically, please note the following minor edits:

- P. 3: Change the word 'extend' to 'extent'
- P. 8: 2nd line should read 'admitted' rather than 'admit'
- P. 9: 10th line mid-page should read 'manufacturer' rather than 'manufacture'
- P. 17: 4th line from bottom should read "In the Quran..."
- P. 18: 4th line from top should read 'students'

A very interesting study and a thoughtfully prepared manuscript that contributes to existing knowledge in this area.

**Level of interest:** An article whose findings are important to those with closely related research interests

**Quality of written English:** Acceptable

**Statistical review:** No, the manuscript does not need to be seen by a statistician.

**Declaration of competing interests:**

I declare that I have no competing interests.
