Title: Rates of coverage and determinants of complete vaccination of children in rural areas of Burkina Faso (1998 - 2003)

Version: 2 Date: 24 August 2009

Reviewer: Marek Brabec

Reviewer's report:

In the revised version of the paper, the authors corrected previously problematic parts, improved terminology and clarified previously confusing statements. The paper improved substantially in quality since the first version and it is now suitable for publication.
