Reviewer's report

Title: Insulin modulates cytokine release and selectin expression in the early phase of allergic airway inflammation in diabetic rats

Version: 4  Date: 30 June 2010

Reviewer: Dedmer Schaafsma

Reviewer's report:

The authors have met with my concerns adequately. In my opinion, the paper is acceptable for publication.

Level of interest: An article whose findings are important to those with closely related research interests

Quality of written English: Acceptable

Statistical review: No, the manuscript does not need to be seen by a statistician.

Declaration of competing interests:

I declare that I have no competing interests.
