Reviewer's report

Title: Prevalence and Correlation between Depression, Anxiety, and Other Features in Outpatients with COPD in China

Version: 2 Date: 3 May 2012

Reviewer: Milo Puhan

Reviewer's report:

I am sorry but I cannot judge the appropriateness of this revision. There is no point by point reply and the revisions does not seem to address all the comments.

Level of interest: An article of limited interest

Quality of written English: Needs some language corrections before being published

Statistical review: No, the manuscript does not need to be seen by a statistician.

Declaration of competing interests:
