Reviewer's report

Title: Implementing lessons learned from previous bronchial biopsy trials in a new randomized controlled COPD biopsy trial with roflumilast

Version: 4  Date: 20 December 2013

Reviewer: Irma Godoy

Reviewer's report:

The authors addressed the major and minor points of the previous review satisfactorily.

Level of interest: An article of importance in its field

Quality of written English: Acceptable

Statistical review: Yes, but I do not feel adequately qualified to assess the statistics.
