Reviewer’s report

Title: The effects and mechanisms of tight junction protein Occludin on ventilation induced lung injury

Version: 5 Date: 10 December 2013

Reviewer: Guochang Hu

Reviewer's report:

The authors address the questions and comments adequately. Minor revisions are still needed. There are some problems in grammar, spelling and sentence structure.

Level of interest: An article of outstanding merit and interest in its field

Quality of written English: Needs some language corrections before being published

Statistical review: No, the manuscript does not need to be seen by a statistician.

Declaration of competing interests:
