Reviewer's report

Title: Surfactant protein B polymorphisms are associated with severe respiratory syncytial virus associated diseases

Version: 2 Date: 13 April 2007

Reviewer: Jörg Epplen

Reviewer's report:

General
The changes are appropriate.

----------------------------------------------------------------------------------

Major Compulsory Revisions (that the author must respond to before a decision on publication can be reached)

----------------------------------------------------------------------------------

Minor Essential Revisions (such as missing labels on figures, or the wrong use of a term, which the author can be trusted to correct)

----------------------------------------------------------------------------------

Discretionary Revisions (which the author can choose to ignore)
