Reviewer's report

Title: Evaluation of psychological and physiological predictors of fatigue in patients with COPD

Version: 2 Date: 20 September 2009

Reviewer: Esther Barreiro

Reviewer's report:

The authors have adequately addressed all my comments. The revised manuscript has been clearly improved.

Level of interest: An article whose findings are important to those with closely related research interests

Quality of written English: Acceptable

Statistical review: No, the manuscript does not need to be seen by a statistician.

Declaration of competing interests:
