Reviewer's report

Title: The relationship between chronic type III acromioclavicular joint dislocation and cervical spine symptoms

Version: 1 Date: 11 June 2009

Reviewer: John Taylor

Reviewer's report:

Major compulsory revisions are necessary. The manuscript needs to be edited from grammar and English usage before considering for publication.

Level of interest: An article of importance in its field

Quality of written English: Not suitable for publication unless extensively edited

Statistical review: Yes, but I do not feel adequately qualified to assess the statistics.

Declaration of competing interests:
