Reviewer's report

**Title:** The effect of a sports chiropractic manual therapy intervention on the prevention of back pain, hamstring and lower limb injuries in semi-elite Australian Rules footballers: A randomized controlled trial

**Version:** 2  **Date:** 23 February 2010

**Reviewer:** Stephen Perle

**Reviewer’s report:**

The changes made are all acceptable. The author's explanation of their reasons for the inclusion of the theories why chiropractic care may be useful in the Discussion was cogent and convincing. I agree it should be included.

**Level of interest:** An article of importance in its field

**Quality of written English:** Acceptable

**Statistical review:** No, the manuscript does not need to be seen by a statistician.

**Declaration of competing interests:**

I declare that I have no competing interests
