Reviewer’s report

Title: Avoidable costs of physical treatments for chronic back, neck and shoulder pain within the Spanish National Health Service: A cross-sectional study

Version: 2 Date: 27 November 2011

Reviewer: Chung-Wei Christine Lin

Reviewer’s report:

I have read the revision and feel that the authors have addressed most of the issues raised by the reviewers adequately. I have no further major comments to make.

Level of interest: An article whose findings are important to those with closely related research interests

Quality of written English: Acceptable

Statistical review: No, the manuscript does not need to be seen by a statistician.
