Reviewer's report

Title: Analysis of Orthopedic Surgery of Bone Metastases in Breast Cancer Patients

Version: 4 Date: 16 June 2012

Reviewer: Toru Akiyama

Reviewer's report:

I do not have any further comments about the correction points of this paper, except for English correction.

Level of interest: An article of importance in its field

Quality of written English: Needs some language corrections before being published

Statistical review: Yes, but I do not feel adequately qualified to assess the statistics.

Declaration of competing interests:

'I declare that I have no competing interests.
