Reviewer’s report

Title: Development of the Young Spine Questionnaire

Version: 2 Date: 12 April 2013

Reviewer: Steven Kamper

Reviewer’s report:

I thank the authors for their attention to my comments. I am satisfied with the responses and modifications that the authors have made to the manuscript and am happy to recommend publication.

Level of interest: An article whose findings are important to those with closely related research interests

Quality of written English: Acceptable

Statistical review: No, the manuscript does not need to be seen by a statistician.

Declaration of competing interests:

'I declare that I have no competing interests’
