Reviewer's report

Title: Computer-aided resection and endoprosthesis design for the management of malignant bone tumors around the knee: outcomes of 12 cases

Version: 3 Date: 30 October 2013

Reviewer: KC Wong

Reviewer's report:

Authors have responded to the reviewer's comments (referee 1)

Minor essential revisions.
- the functional scores described in the manuscript were actually Musculoskeletal Tumor Society (MSTS) score but not "ISOLS score".

Level of interest: An article whose findings are important to those with closely related research interests

Quality of written English: Needs some language corrections before being published

Statistical review: No, the manuscript does not need to be seen by a statistician.
