Reviewer's report

Title: Cathepsin K inhibitors increase distal femoral bone mineral density in rapidly growing rabbits

Version: 2  Date: 8 November 2013

Reviewer: Rosaria Guzzo

Reviewer's report:

The authors have adequately addressed the concerns raised during my initial critique of the manuscript.

Level of interest: An article whose findings are important to those with closely related research interests

Quality of written English: Acceptable

Statistical review: No, the manuscript does not need to be seen by a statistician.

Declaration of competing interests:

I declare that I have no competing interests.
