Reviewer's report

Title: Reliability and validity of the Brief Illness Perception Questionnaire for use in acute low back pain patients.

Version: 6 Date: 16 October 2012

Reviewer: Jan A. J Swinkels

Reviewer's report:

I don't think any revision is necessary. The article is clear and in the discussion the authors understand the practical consequences.

Level of interest: An article of importance in its field

Quality of written English: Acceptable

Statistical review: No, the manuscript does not need to be seen by a statistician.
