Reviewer's report

Title: Prediction of trapezius muscle activity and shoulder, head, neck, and torso postures during computer use: results of a field study.

Version: 4 Date: 11 August 2014

Reviewer: Andrew Judge

Reviewer's report:

I'm happy with the authors responses to the reviewers comments, and do not have any further comments to add.

Level of interest: An article of importance in its field

Quality of written English: Acceptable

Statistical review: Yes, and I have assessed the statistics in my report.

Declaration of competing interests:

I declare that I have no competing interests in relation to the paper reviewed.
