Reviewer's report

Title: Pain does not influence the proprioception and the motor behavior in subjects with mild and moderate knee osteoarthritis

Version: 2  Date: 20 August 2014

Reviewer: Ljubica Konstantinovic

Reviewer's report:

Minor Compulsory Revisions

Level of interest: An article of importance in its field

Quality of written English: Needs some language corrections before being published

Statistical review: Yes, but I do not feel adequately qualified to assess the statistics.

Declaration of competing interests:

I declare that I have no competing interests.
