Reviewer's report

Title: Are lifestyle-factors in adolescence predictors for adult low back pain? A cross-sectional and prospective study of young twins.

Version: 3 Date: 9 February 2006

Reviewer: Jens Ivar Brox

Reviewer's report:

General
The manuscript has been revised according to the recommendations given, and again the authors should be commended for improving this manuscript

Major Compulsory Revisions (that the author must respond to before a decision on publication can be reached)

Minor Essential Revisions (such as missing labels on figures, or the wrong use of a term, which the author can be trusted to correct)

Discretionary Revisions (which the author can choose to ignore)

What next?: Accept without revision

Level of interest: An article of importance in its field

Quality of written English: Acceptable

Statistical review: No
