Reviewer’s report

Title: Coping and back problems: Part 1. Analysis of multiple data sources on an entire cross-sectional cohort of Swedish military recruits.

Version: 2 Date: 26 January 2006

Reviewer: Michael Höfler

Reviewer’s report:

General
the authors have done a very good job in answering to my concerns and changing the manuscript accordingly.

the paper can be published in the present version.

-------------------------------------------------------------------------------

Major Compulsory Revisions (that the author must respond to before a decision on publication can be reached)

-------------------------------------------------------------------------------

Minor Essential Revisions (such as missing labels on figures, or the wrong use of a term, which the author can be trusted to correct)

-------------------------------------------------------------------------------

Discretionary Revisions (which the author can choose to ignore)

What next?: Accept without revision
