Reviewer’s report

Title: Experiencing and controlling time in everyday life with chronic widespread pain: a qualitative study

Version: 2 Date: 31 August 2007

Reviewer: debbie kralik

Reviewer's report:

General
Thank you, the paper has been strengthened following revisions.

-------------------------------------------------------------------------------

Major Compulsory Revisions (that the author must respond to before a decision on publication can be reached)

Why 8 participants? Was data saturation reached?

-------------------------------------------------------------------------------

Minor Essential Revisions (such as missing labels on figures, or the wrong use of a term, which the author can be trusted to correct)

-------------------------------------------------------------------------------

Discretionary Revisions (which the author can choose to ignore)

What next?: Reject because too small an advance to publish

Level of interest: An article whose findings are important to those with closely related research interests

Quality of written English: Acceptable

Statistical review: No, the manuscript does not need to be seen by a statistician.

Declaration of competing interests:
