Reviewer's report

Title: Agreement between a self-administered questionnaire on musculoskeletal disorders of the neck-shoulder region and a physical examination

Version: 3 Date: 20 February 2008

Reviewer: Bart W Koes

Reviewer's report:

With great interest I have read the revised manuscript, initial comments and suggestions by the previous reviewer(s) and the related responses by the authors of the manuscript.

I come to the conclusion that the articles addresses a relevant topic and is well designed, executed and reported. The initial comments by the reviewers were critical but constructive. The authors have addressed all remarks very well and have substantially improved the presentation of the study and its findings.

I have no additional remarks on the content of the article
