Reviewer’s report

Title: Superficial saphenofemoral arteriovenous fistula as hemodialysis access: clinical experience

Version: 2 Date: 25 May 2010

Reviewer: Uenis Tannuri

Reviewer’s report:

The manuscript is well written with an impressive causistic of arteriovenous fistulas for hemodialysis. It deserves to be published in the Journal with a minimum modification: the figure 2 contains two legends in portuguese; figures 3, 4 and 5 contain data written not in english version.

Level of interest: An article of importance in its field

Quality of written English: Acceptable

Statistical review: No, the manuscript does not need to be seen by a statistician.
