Reviewer's report

Title: Saphenofemoral arteriovenous fistula as hemodialysis access

Version: 3 Date: 1 July 2010

Reviewer: Tushar Vachharajani

Reviewer's report:

The revised manuscript has addressed most of the concerns from my previous review. The manuscript flow and clarity has greatly improved though minor spelling needs to be corrected.

Level of interest: An article of importance in its field

Quality of written English: Needs some language corrections before being published

Statistical review: No, the manuscript does not need to be seen by a statistician.

Declaration of competing interests:
