Reviewer's report

Title: Unexpected outcome from Trousseau syndrome

Version: 2 Date: 21 December 2010

Reviewer: Joseph Caprini

Reviewer's report:

The revisions are excellent. I would include all of them in the discussion section and put the concluding paragraph at the very end of the document.

Level of interest: An article of importance in its field

Quality of written English: Acceptable

Statistical review: No, the manuscript does not need to be seen by a statistician.

Declaration of competing interests:

I have consulted for sanofi, gsk, pfizer, and covidien for educational projects only
