Reviewer's report

Title: Spontaneous intraperitoneal rupture of hepatic hydatid cyst: a rare cause of ascites

Version: 2 Date: 21 April 2014

Reviewer: Francesca Iacobellis

Reviewer's report:

The manuscript is clear and well written but there are other similar cases already describer in literature.

- Minor Essential Revisions

Figure 1 has low resolution, please provide a better image for the final version.
Figure 3 A and B: cut the figures including only the main finding

Level of interest: An article of limited interest

Quality of written English: Acceptable

Statistical review: No, the manuscript does not need to be seen by a statistician.
