Reviewer's report

Title: Health Education England, Local Education and Training Boards (LETBs) and reform of healthcare education: implications for surgical training

Version: 1 Date: 16 September 2014

Reviewer: Usman Jaffer

Reviewer's report:

This is a well reasoned and timely paper. Discussion regarding potential conflicts of interest and lack of surgical involvement is well received.

Level of interest: An article of importance in its field

Quality of written English: Acceptable

Statistical review: No, the manuscript does not need to be seen by a statistician.

Declaration of competing interests:
