Reviewer's report

Title: The study of expanded tri-lobed flap in a rabbit model: Possible flap model in ear reconstruction?

Version: 3 Date: 23 October 2003

Reviewer: Raymund E. Horch

Reviewer's report:

General:

My questions have been addressed by the authors and I would now recommend the revised manuscript to be accepted for publication.

Sincerely
Raymund E. Horch, MD, PhD

What next?: Accept without revision

Level of interest: An article whose findings are important to those with closely related research interests
