Reviewer's report

**Title:** Cotton Bezoar a rare cause of intestinal obstruction - case report with review of literature.

**Authors:**

Chintamani Chintamani (chintamani7@rediffmail.com)
Rakesh Durkhere (chintamani@doctor.com)
Jp Singh (chintamani@doctor.com)
Vinay Singhal (chintamani@doctor.com)

**Version:** 3 **Date:** 8 Aug 2003

**Reviewer:** adnan aslan

**Level of interest:** A paper of limited interest

**Advice on publication:** Other (see below)

I would like to inform that the authors’ answers to my critiques and questions are adequate and sufficient. However, there are still some grammatical and typographical errors in the text. I think, this manuscript may be accepted for publication in BMC Surgery after a native English review the proof of the manuscript.
