Reviewer's report

Title: Early rectal stenosis following stapled rectal mucosectomy for hemorrhoids

Version: 1 Date: 22 January 2004

Reviewer: Giuseppe Brisinda

Reviewer's report:

General This is a well-written paper. The report shows that anal stenosis is a serious complication of anorectal surgery.

Discretionary Revisions (which the author can choose to ignore)

Minor Essential Revisions (such as missing labels on figures, or the wrong use of a term, which the author can be trusted to correct)

Major Compulsory Revisions (that the author must respond to before a decision on publication can be reached)
No further comments.
