Reviewer’s report

Title: The Role of Surgical Audit in Improving Patient Management; Nasal Haemorrhage: An Audit Study

Version: 2 Date: 14 August 2007

Reviewer: Jan Van der Meulen

Reviewer’s report:

I thank the authors for their revisions but I feel that most of my previous comments still hold.

What next?: Reject because scientifically unsound

Level of interest: An article of limited interest

Quality of written English: Not suitable for publication unless extensively edited

Statistical review: No, the manuscript does not need to be seen by a statistician.
