Comment to the editor
Thank you for sending me the article entitled 'Aneurysm of antecubital vein: an unusual complication of peripheral intravenous cannulation' for evaluation. The authors performed required revisions. I think that the revised article may be published in BMC Surgery.
Gratefully yours,
Dr. Hasan Ekim

Major Compulsory Revisions (that the author must respond to before a decision on publication can be reached)

Minor Essential Revisions (such as missing labels on figures, or the wrong use of a term, which the author can be trusted to correct)

Discretionary Revisions (which the author can choose to ignore)

What next?: Accept without revision

Level of interest: An article of importance in its field

Quality of written English: Acceptable

Statistical review: No, the manuscript does not need to be seen by a statistician.
