Reviewer’s report

Title: The Anal Fistula Plug versus the mucosal advancement flap for the treatment of Anorectal Fistula (PLUG trial)

Version: 1 Date: 6 June 2008

Reviewer: Francis Seow-Choen

Reviewer’s report:

I think that this is a well constructed and designed study that will test the usefulness of the fistula plug in high anal fistulas.

Level of interest: An article whose findings are important to those with closely related research interests

Quality of written English: Acceptable

Statistical review: No, the manuscript does not need to be seen by a statistician.
