Reviewer's report

Title: Phosphatidylinositol 3'-kinase, mTOR, and Glycogen synthase kinase-3 beta mediated regulation of p21 in human bladder carcinoma cells

Version: 2 Date: 23 July 2011

Reviewer: Makito Miyake

Reviewer's report:

Revisions have been well done. In the revised manuscript, there is no part which is required to be correct. This manuscript is considered to be acceptable in the journal.

Level of interest: An article whose findings are important to those with closely related research interests

Quality of written English: Acceptable

Statistical review: No, the manuscript does not need to be seen by a statistician.

Declaration of competing interests:

I declare that I have no competing interests
