Reviewer’s report

Title: Efficacy of Temsirolimus in Metastatic Chromophobe Renal Cell Carcinoma

Version: 1 Date: 17 September 2012

Reviewer: jim barber

Reviewer’s report:

No major or minor essentials
discretionary

It would have been nice to know why temsirolimus was used instead of the usual second line option, everolimus.

Level of interest: An article whose findings are important to those with closely related research interests

Quality of written English: Needs some language corrections before being published

Statistical review: No, the manuscript does not need to be seen by a statistician.
