Reviewer’s report

Title: Hem-O-Lok clip: a neglected cause of severe bladder neck contracture and consequent urinary incontinence after robot-assisted laparoscopic radical prostatectomy.

Version: 2
Date: 22 January 2014

Reviewer: Joshua Meeks

Reviewer’s report:

The revisions do not change this case. It is not novel and should not be reported.

Level of interest: An article of insufficient interest to warrant publication in a scientific/medical journal

Quality of written English: Needs some language corrections before being published

Statistical review: No, the manuscript does not need to be seen by a statistician.
