Reviewer's report

Title: Inflammation and Enhanced Nociceptive Responses to Bladder Distension Produced by Intravesical Zymosan in the Rat

Version: 2 Date: 15 December 2005

Reviewer: Margaret A A Vizzard

Reviewer's report:

General

The authors have made appropriate revisions and the result is an improved manuscript that will be of interest in the field of neuro-urology.

---------------------------------------------------------------
Major Compulsory Revisions (that the author must respond to before a decision on publication can be reached)
none

---------------------------------------------------------------
Minor Essential Revisions (such as missing labels on figures, or the wrong use of a term, which the author can be trusted to correct)
none

---------------------------------------------------------------
Discretionary Revisions (which the author can choose to ignore)
none

What next?: Accept without revision

Level of interest: An article of importance in its field

Quality of written English: Acceptable

Statistical review: No

Declaration of competing interests:

I declare that I have no competing interests.
