Reviewer's report

Title: CT scanning for diagnosing blunt ureteral and ureteropelvic junction injuries

Version: 2 Date: 13 December 2007

Reviewer: Jay Doucet

Reviewer's report:

I have reviewed the revised abstract and believe my issues have been resolved satisfactorily.

What next?: Accept without revision

Level of interest: An article whose findings are important to those with closely related research interests

Quality of written English: Acceptable

Statistical review: No, the manuscript does not need to be seen by a statistician.

Declaration of competing interests:
