Reviewer’s report

Title: Personalized medicine in psoriasis: developing a genomic classifier to predict response to Alefacept

Version: 5 Date: 2 November 2009

Reviewer: Erna Snellman

Reviewer’s report:

I thank you for the possibility to review again the manuscript after the changes have been done.

Discretionary revisions:
None

Minor essential revisions:
None

Major compulsory revisions:

I am satisfied with the revisions done in the manuscript and the answers given by authors. The manuscript can now be accepted for publication in BMC Dermatology.

Level of interest: An article whose findings are important to those with closely related research interests

Quality of written English: Acceptable

Statistical review: No, the manuscript does not need to be seen by a statistician.

Declaration of competing interests:

I declare that I have no competing interests.
