Reviewer's report

Title: A Distal Region of the Human TGM1 Promoter Is Required for Expression in Transgenic Mice and Cultured Keratinocytes

Version: 2 Date: 22 January 2004

Reviewer: Anton Jetten

Reviewer's report:

General
I think the authors have addressed the comments adequately and corrected the errors. The changes have led to an improved paper.

Discretionary Revisions (which the author can choose to ignore)

Minor Essential Revisions (such as missing labels on figures, or the wrong use of a term, which the author can be trusted to correct)

Major Compulsory Revisions (that the author must respond to before a decision on publication can be reached)

What next?: Accept without revision

Level of interest: An article of importance in its field

Quality of written English: Acceptable

Statistical review: No
