Reviewer's report

**Title:** Computer-aided dermoscopy for diagnosis of melanoma

**Version:** 2  **Date:** 13 June 2005

**Reviewer:** Ketty Peris

**Reviewer's report:**

General

----------------------------------------------------------------------------------------------------------------------

Major Compulsory Revisions (that the author must respond to before a decision on publication can be reached)

The revised items are correct

----------------------------------------------------------------------------------------------------------------------

Minor Essential Revisions (such as missing labels on figures, or the wrong use of a term, which the author can be trusted to correct)

The authors made the required corrections

----------------------------------------------------------------------------------------------------------------------

Discretionary Revisions (which the author can choose to ignore)

----------------------------------------------------------------------------------------------------------------------

**What next?:** Accept without revision

**Level of interest:** An article of limited interest

**Quality of written English:** Acceptable

**Statistical review:** No

**Declaration of competing interests:**
