Reviewer's report

Title: A population-based survey on tanning bed use in Germany

Version: 2 Date: 21 April 2009

Reviewer: Alan Geller

Reviewer's report:

I provided a very thorough line by line edit with the first submission and have now carefully read over the responses provided by the authors to all of these comments. They responded very well to all of the points raised.

Level of interest: An article of importance in its field

Quality of written English: Needs some language corrections before being published

Statistical review: Yes, and I have assessed the statistics in my report.

Declaration of competing interests:
