Reviewer’s report

Title: Treatment Trends in Allergic Rhinitis and Asthma: A British ENT Survey

Version: 3 Date: 10 January 2011

Reviewer: HaiLun Sun

Reviewer’s report:

Major Compulsory Revisions
1. This article was only focused on a local area. Such experience may not be extended to other place of the world.
2. The questionnaire was designed by the authors and validated by senior Rhinologists and Pulmonologists, so its reliability and validity weren't be analyzed yet.

Level of interest: An article of limited interest

Quality of written English: Acceptable

Statistical review: Yes, but I do not feel adequately qualified to assess the statistics.

Declaration of competing interests:
