Reviewer's report

Title: Management Of Difficult Airway In Intratracheal Tumor Surgery

Version: 2 Date: 31 May 2005

Reviewer: Surender K Sharma

Reviewer's report:

General
I recommended the article to be accepted for publication.

-------------------------------------------------------------------------------------------------------------------

Major Compulsory Revisions (that the author must respond to before a decision on publication can be reached)

-------------------------------------------------------------------------------------------------------------------

Minor Essential Revisions (such as missing labels on figures, or the wrong use of a term, which the author can be trusted to correct)

-------------------------------------------------------------------------------------------------------------------

Discretionary Revisions (which the author can choose to ignore)

What next?: Accept without revision

Level of interest: An article whose findings are important to those with closely related research interests

Quality of written English: Acceptable

Statistical review: No
