Reviewer's report

**Title:** Comparison of endothelial progenitor cell function in type 2 diabetes with good and poor glycemic control

**Version:** 3  **Date:** 14 March 2010

**Reviewer:** Jaw-Wen Chen

**Reviewer's report:**

The authors have made good arguments and proper revision. Though there are still some minor points that may be related to the study limitations, this reviewer has no further comments.

**Level of interest:** An article whose findings are important to those with closely related research interests

**Quality of written English:** Acceptable

**Statistical review:** Yes, but I do not feel adequately qualified to assess the statistics.

**Declaration of competing interests:**

'I declare that I have no competing interests'
