Reviewer's report

Title: Assessment of Quality of care given to Diabetic patients at Jimma University Specialized Hospital Diabetes Follow-up clinic, Jimma, Ethiopia

Version: 5 Date: 29 September 2011

Reviewer: Kirsten J Coppell

Reviewer's report:

Thank you for revising your manuscript taking into account the reviewers' comments. Overall the presentation of your paper is much improved, and more clearly describes the quality of diabetes care at Jimma University Specialised Hospital, and the associated challenges such as insufficient resources.

I have corrected some typographical errors and made some suggested grammatical changes to further improve the flow of the text. These are marked as track changes in the attached document.

Level of interest: An article of importance in its field

Quality of written English: Needs some language corrections before being published

Statistical review: No, the manuscript does not need to be seen by a statistician.

Declaration of competing interests:
