Reviewer’s report

Title: Assessment of endogenous insulin secretion in insulin treated diabetes predicts postprandial glucose and treatment response to prandial insulin

Version: 2 Date: 22 April 2012

Reviewer: Klaus-Dieter Kohnert

Reviewer’s report:

The authors have answered all my points, which I previously raised, sufficiently well. I have no further comments and think that the revised ms can be published.

Level of interest: An article of importance in its field

Quality of written English: Acceptable

Statistical review: No, the manuscript does not need to be seen by a statistician.

Declaration of competing interests:

I declare that I have no competing interests.
