Reviewer's report

Title: Neurocognitive Function in children with Compensated Hypothyroidism: lack of short term effects on or off thyroxin

Version: 3 Date: 23 February 2006

Reviewer: Nicholas Jospe

Reviewer's report:

General
it is fine as is, at present

-----------------------------------------------------------------------------------------------

Major Compulsory Revisions (that the author must respond to before a decision on publication can be reached)

-----------------------------------------------------------------------------------------------

Minor Essential Revisions (such as missing labels on figures, or the wrong use of a term, which the author can be trusted to correct)

-----------------------------------------------------------------------------------------------

Discretionary Revisions (which the author can choose to ignore)

-----------------------------------------------------------------------------------------------

What next?: Accept without revision

Level of interest: An article whose findings are important to those with closely related research interests

Quality of written English: Acceptable

Statistical review: No
