Reviewer's report

Title: Understanding and meeting the needs of those using growth hormone injection devices

Version: 1 Date: 27 April 2006

Reviewer: Richard Stanhope

Reviewer's report:

General
I do not have any specific questions for the authors

-------------------------------------------------------------------------------------------------------------------------

Major Compulsory Revisions (that the author must respond to before a decision on publication can be reached)

-------------------------------------------------------------------------------------------------------------------------

Minor Essential Revisions (such as missing labels on figures, or the wrong use of a term, which the author can be trusted to correct)
FIG 3 is unlabelled and rather dazzling in its presentation and difficult to understand - could this be addressed

-------------------------------------------------------------------------------------------------------------------------

Discretionary Revisions (which the author can choose to ignore)

What next?: Accept after minor essential revisions

Level of interest: An article of importance in its field

Quality of written English: Acceptable

Statistical review: No
