Reviewer's report

Title: Cost-effectiveness comparison between palpation- and ultrasound-guided thyroid fine-needle aspiration biopsies

Version: 3 Date: 19 January 2009

Reviewer: YoungKee Shong

Reviewer's report:

With revisions, the manuscript became much better and all the messages are more clear. It may be published as it stands.

Level of interest: An article of limited interest

Quality of written English: Acceptable

Statistical review: No, the manuscript does not need to be seen by a statistician.

Declaration of competing interests:

I declare that I have no competing interests.
